

Dutch Barn Preservation Society e-news, 8 May 2017

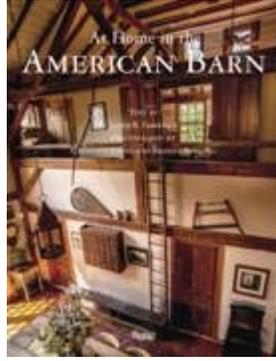

Dear DBPS Members,

Greg Huber, Barn historian and DBPS Board Member, has a new book coming out- **The Historic Barns of Southeastern Pennsylvania**. [predicted to be out in late July 2017] I enclose a Pdf with more detail [and an order form. Note: this was an attachment to the email version of this notice.]

Greg is perhaps best known to Dutch Barn Enthusiasts for his second edition of Fitchen's book on the New World Dutch Barn, which came out in 2001. If you don't have that, you could get one now and read it while waiting for your copy of **The Historic Barns of Southeastern Pennsylvania** to arrive.

In other DBPS News, the HVVA is planning a tour of **Barns in Clermont on Saturday May 20th**, which is co-sponsored by the DBPS. Mark your calendars. Rob Sweeney is organizing this and he tells me that details are coming soon.

After that, our next event will be a talk by photographer Geoffrey Gross on his new book, **At Home in the American Barn**, at the Mabee Farm on July 22nd. You will also be able to see their Dutch Barn, if you've not been there yet. It will be free for **dues-paid** members of DBPS, SAH, or SCHS, \$5 for others. 2:00 P.M. In the Franchere Center of the Mabee Farm, Rotterdam Junction, Schenectady County.
